

Freighter Charter Solutions Unloaded!

Your Trusted Air Freight Charter Partner

Freight Charter Services

Nauru Airlines offers comprehensive freight charter services to destinations across Australia, New Zealand, the South / Central Pacific and Asia. Whether it's a critical go-now situation or disaster relief, our solutions-focused charter team is ready to find the best fit for your needs.

Why Choose Nauru Airlines

- 24/7 Rapid Response Charter Team
- Rapid Deployments
- Heavy & Outsize Cargo Experience
- Competitive Pricing
- Dangerous Goods Experts
- Long Term Solutions

AOG Solutions

From engines, nose cones to avionics equipment and specialist parts, we provide 'Immediate Deployment' cargo aircraft charter.

Humanitarian Relief

Rapid deployment for urgent situations and delivering aid to often logistically challenging destinations.

Frequent Movements

Tailored freight charter services to individual client needs offering repeat schedules and multi-stop routings.

Freighter Aircraft

Nauru Airlines offers a choice of Boeing 737 freighter aircraft that are configured to accept a wide range of consignments.

Reliable, Trusted and Proven

Nauru Airlines serves a diverse range of clients, including Governments and their departments, education and religious groups, emergency response service providers, corporate entities, and other transportation providers.

Tailored Solutions for You

Nauru Airlines can tailor and personalise a cost-effective freight charter solution to meet your destination and shipment needs. Alternatively, your freight may be able to be accommodated on our international scheduled freighter service .
